### **We're Back!**

Dear Pastor Brad,

Greetings from Croatia! We made it back safely to Split on Tuesday afternoon, with no flight problems and with all of our luggage. When our plane landed our son Kyler said, "Ahh, Home Sweet Home!" and Abby and Caden could hardly contain their excitement. What fun it was to drive up to our home and within seconds be surrounded by the children in our neighborhood, who were so excited to see our kids.

We just wanted to say thank you again to all of you that made it possible for us to get our financial clearance on time to to make our flight on Monday. Thank you also for all of you that prayed for our journey and for our funding. We are very grateful. We also wanted to thank you for all of the meals, places to stay, love offerings, etc. that so many of you provided. We specifically want to thank Carl and Vickie Shepherd for allowing us to "live" with them the last 3 weeks we were in the States.

We are still waiting on word from the government regarding our visa so please continue to pray for that. Thank you for praying for Abby and our family regarding the celiac diagnosis. We have found more gluten free than we expected, but are still hopeful to find some more health food type stores in the area that will possibly have items. Also, a neighbor informed Kyler as we were unloading our luggage, that there is a support group in Split for moms whose children have celiac. God is good.
