

The England's in The US

This is an exciting time for ministry in Croatia! The church is growing strong and working itself towards being self-sufficient. People are being disciplined, leaders are being developed, and relationships are being deepened. Trust is being built and doors are being opened to share the hope of Christ.

Our church is continuing its focus on outreach with a new ministry being offered in the fall. With an increase in unemployment (18%), the church, realizing a "felt need" of the community to improve their English speaking skills to become more employable, will be offering an English Workshop in the fall. The classes will focus on discussion of personal life development skills, as well as English grammar. This will not only help students develop better communication skills in

English, but at the same time give greater opportunity to share Biblical ideas. This will also help the church to build trust in the community where the church is currently located.

As part of a church planting movement, our team is strategizing about future ministry opportunities. We are praying about other locations in Croatia where the Lord might be leading us to minister. Not only are we praying about "where" the Lord will direct our future ministry, but "who" will go. Please join us in praying for a Croatian family from our church there, who will be led by the Holy Spirit to "go" along with us as missionaries to their own people.

We've been so encouraged as we've been visiting our partnering churches the past 6 and ½ weeks. We have traveled to IN, NY, VA and OK so far. People are committed to our work and they are continuing to stand with us! We need you now more than ever before. As we take steps into uncharted territory, we will be counting on your prayers. Also, we are counting on the Lord to supply the \$10,000 **we need**

to return to the field on August 29th, just 4 and ½ weeks from now.

As many of you know, we depend on faith promises and financial donations to be able to live and minister in Croatia. Faith promises are promises that, AS GOD PROVIDES, you will give to support us and the ministry in Croatia. We know that God is able to provide for you and for us through you. Many of you are already faithfully supporting us through prayer. Would you consider partnering with us financially as well? We are asking the Lord to provide 32 new partners that will give \$25 a month.

We want to make it easier for you to know how you can support the ministry here in Croatia. You can give to our support fund at **Global Partners, PO Box 50434, Indianapolis, IN 46520-0434** several different ways.

- Did you know you can now give online? This is a new and easy way to give. Log on to www.praygivego.com. Click on the Missionaries tab, and then click on "missionary support", find [Chris and Wendy England](#) and click the give tab. Then just follow the steps.
- If you would rather give by sending a check to the above address, please be sure to write our fund number on the memo line: WM04-0278.
- Or you can make a commitment over the phone. You can call Heather Bradley at Global Partners at 317-774-7950 and she will help you.

Please, if you are able to join our support team to help us get back to the field by Aug. 29, let us know via email at cwengl@gmail.com or go to the Global Partners website that I included above or write Global Partners a letter and send it to the address above.

If you have any questions, please let us know. We pray for you and thank God for you. Your financial help and prayers encourage us! We are looking forward to seeing many of more of you as we wrap up our Home Ministries time. Thank you so much!

Praise Reports

- We praise God for His supply! Thank you to the Kevin and Maria, and Joe and Pat for the use of their

vehicles for our Home Ministries travels.

- We are thankful for those that recently joined our team as prayer and Faith Promise Partners!
- We have had safe travels so far in the US and much encouragement from our supporters.

Prayer Requests

- Pray for continued safety for our next 4 and ½ weeks of travel for Home Ministries.
- Pray for the English Workshop planning committee and teachers as we prepare for the fall semester of classes, as well as potential students.
- Pray for Pastor Zdenko for guidance and wisdom as he leads the church.
- Pray for additional partners to join our team through Faith Promise. We hope to leave to return to the field by August 29th.

Chris, Wendy, Kyler, Caden & Abby
