

Dear Pastor Snyder and our Fredericksburg Wesleyan Church family,

Hello from Croatia! We trust you are doing well and that you enjoyed all the Christmas celebrations there. Thank you so much for your most recent gift of support. We are very grateful!

English classes are preparing to start up again here. Our adult class through the church will begin next week and then our children's classes in Trogir will begin at the beginning of February. Please pray for new opportunities for sharing the light and truth of Christ with our students.

Please also specifically pray for one of our students from our children's classes in Trogir. He and his family were the start of our first Wesleyan "house church" there. He, "D" was baptized this past summer at the same time as his mother. Anyway, his father unexpectedly passed away last week. It's a real blow on many levels. Pray for our "m's" there in Trogir as they minister directly to the family during this sad time.

We are so grateful to you and the way you stand with us in ministry here. Please pray that 2012 will be a year of revival in Croatia!!!

Serving together,

Chris and Wendy England
