

Dear Pastor Snyder and our Fredericksburg Wesleyan Church family,

Thank you again for your support for our ministry in Croatia. It means so much to us to have you on our support team. We have jumped right back in and feel like we've come home!

We want to ask you to pray for a few specific things:

\* Pray for the English workshop for adults beginning on 10/12/11. Pray for solid trust built with our students and open doors for communicating the gospel. We will be using some controversial topics in our discussion portion of each lesson with the purpose of sharing our Biblical worldview and expanding their worldview. We need much focused prayer for these meeting times. We will be meeting every Wednesday night at 6:30 European time.

\* Pray for the English kid's club at Inspirata through our team's ministry in the nearby city of Trogir. Pray for good strong enrollment, a fun time of learning for the children and good relationships built with the families of these students. This is a part of our early church planting strategy in this city.

Please also pray for my (Wendy) mentoring of our Croatian English teacher, a young woman named Aira, who is a believer but has just recently begun finding her way back to the Lord. She is really wrestling with spiritual things now.

\* Pray for our visas! Once again we find ourselves at the mercy of the Croatian government waiting for the approval of our visas. Will we get it, will we not? This can be draining on our mental energy.

\* Please also pray for our children as they get settled into school. Please specifically pray for Caden's language acquisition and attention in class.

Thank you for the role you play here in bringing Croatians to the Lord! We are so grateful for your partnership!

Serving together,

Chris and Wendy England
