

***Happy Mother's Day! We pray you all are able to enjoy this Sunday as we all honor our Mothers.
Blanche Berner and Nell Kruger, a very special Happy Mother's Day to you!***

We have had some incredible ministry opportunities come up and really need your prayers. We are hoping you receive this before you go to church so you can share with your circle of friends. Thank you so much for supporting us in prayer and for your sacrificial donations.

- ⇒ **Pray for Butch as he speaks at the church in Victoria Falls, Zimbabwe. He will be teaching The Elijah Challenge next week, holding a crusade and then preaching at the church again next week.** This is a great opportunity to see God move in miraculous ways and opens doors for the Gospel to be shared. Pray for miracles of healing and for open hearts to receive the gift of Christ's salvation.
- ⇒ **Pray for Janet as she shares the truth of salvation with some women she met last week.** I will be sharing with 3 women who love and attend church but could not tell me what they believe salvation is and what it means. Each will bring their Bible and together we read what God says in his Word. Pray for me to be bold and to have great discernment as I share Truth.
- ⇒ **Pray for TEAM ZAMBIA from ORU.** Due to recent security issues surrounding a previous destination, this dynamic team of intercessors and leaders will now be serving in Zambia with Light of Africa for 4 weeks. Pray for them to have travel mercies and ease in transitions as they shift their focus to Zambia. Pray for the team to remain in unity and to bond with the Berner's and the Zambian folks. Pray for their health and for quality ministry. Pray for the team to be flexible and to be open to what God is doing in and through them.
- ⇒ **Pray for favor for the team to have no hassles at the borders with immigration and customs. The team will arrive in Zambia on Wednesday, 11 May, and then traveling to Zimbabwe to attend and pray over Butch's Elijah Challenge training.**
- ⇒ **Pray for the land issue.** Butch has been to City Council many times to find out the status of the land we have requested for the camp. Finally, he found the Director only to hear that the file was "lost" and for Butch to come back the next week. This week he was told that the file was found and that a letter had been written but that we had not supplied an address for it to be sent. Butch showed them the address on the letter (part of the letterhead) and was then told that they could not find the letter they wrote and that they will have to re-write the letter. When he asked what the letter said he was told that he would have to wait until the new letter was written in order to find out. I am not saying that corruption is in play but you have to wonder what is happening. Please pray that the file, and the letter that will be written, will give approval for the land to be issued for Light of Africa to use as a camp. Once this step is completed, we can then move on to have an official survey done and beacons to be set in place.

Beloved, thank you for your prayers. You cannot imagine how much difference it makes to us and the ministry here. Let us know how to pray for you!
